Critical Resources for Clients and Staff

Urish Popeck clients benefit from the IFRS thought leadership resident in the global BDO organization, the world's fifth largest accounting and consulting network. Because of its strong global presence, BDO is a key stakeholder in the evolving development of IFRS regulation and worldwide implementation.

Additionally, Urish Popeck professionals are kept abreast of IFRS developments through the domestic BDO network, including regulatory advisories and CPE webinars.

Examples of two of the IFRS resource center pages follow. Web site links to BDO USA and BDO International IFRS resources are on the left.

The screenshot shows the BDO USA website's IFRS Resource Center. The page features a navigation menu with links for Home, About BDO, Services, Industry, Career, News & Events, and BDO Library. The main content area is titled 'IFRS RESOURCE CENTER' and includes an 'Education Center' section with a list of resources such as 'IFRS Project Update - December 10, 2010', 'IFRS Share-Based Payments - August 19, 2010', 'IFRS - Taxation - May 6, 2010', 'IFRS vs. IFRS for SMEs - January 2010', and 'IFRS and Business Combinations - August 2009'. A 'NEWS AND RESOURCE' sidebar on the right lists items like 'Capital Markets Practice News Q2 2011' and 'Technology & Life Sciences Practice News Q2 2011'.
